Description

At a great location on the edge of the center of Rotterdam, we offer you five new-build apartments. With an eye for authentic details of the original design of the building, these apartments are of a high quality and durably built and beautifully finished.

The layouts are surprisingly executed with the most optimal use of the m2ers. In addition to the functionality of each apartment, attention has been paid to an attractive interior with an eye for detail.

The apartments have a spacious living room, a separate bedroom and a work area. All apartments have a fully equipped kitchen with all desirable equipment and are equipped with a bathroom with shower and sink. There is a separate room where the washing machine and dryer are placed.

All the apartments have a large balcony and even on the groundfloor with a patio/garden situated on the west.

In short, a great place to live where you can be pulled in by the complete furniture and is equipped with all the necessary crockery, cutlery, pans and hand and kitchen towels.

Services:

All shops and various restaurants are in the immediate vicinity of the apartments in various pleasant shopping streets. Public transport and the roads to The Hague, Utrecht and Amsterdam are a short distance away and easily accessible.

Definitely , a range of apartments that is more than worth a visit. Mail or call Expat Housing Services to make an appointment.
